- Stunts/stunting positions – bases, flyers, back spots
- Tumbling – standing and running, Triple Jump combo Dance/Choreography

Hillgrove High School Cheerleading General Information

The purpose of the Hillgrove cheerleading program is to promote school pride and unity and to lead the student body in demonstrating spirit and support for the teams, coaches, and all athletes. Hillgrove cheerleaders are expected to demonstrate good sportsmanship at all times. A cheerleading handbook will be distributed to all new cheerleaders with detailed information related to the cheerleader's responsibilities and the cheerleading program at Hillgrove High School.

General Behavior

Interscholastic/Extracurricular Activities Code of Conduct Rule: IDF-R

The HHSC program follows the Cobb County Schools rule for Student Conduct with Interscholastic/Extracurricular Activities, **Rule: IDF-R**. Participation in interscholastic/extracurricular (extracurricular) activities in the Cobb County School District (District) schools is a privilege. Students participating in these activities are considered to be school leaders and role models who represent their school and, more importantly, depict their character. With leadership comes additional responsibility, and student participants must adhere to high standards of conduct. When students violate these standards of conduct, the District may withdraw the privilege of participation in interscholastic/extracurricular activities. The purpose of this code of conduct is to establish a minimum expectation of behavior.

Attendance - HCBC

Cheerleaders **MUST** be present and on time to all practices, games, playoff games & events, performances, fundraisers, pep rallies, camps, competitions, and any other activities designated by their coach.

Transportation

The Cobb County School District may or may not provide transportation. If CCSD does not provide transportation, it will be the parents' and students' responsibility. Student drivers should not drive other students to/from practices/competitions. When parents and students volunteer to drive their vehicles on school system business, such as sporting events or other school activities, the Cobb County School District does not provide liability insurance or medical insurance; the volunteer is the liable party.

Academics/Grades

HHS is a school with high expectations for its students. The cheerleading program at HHS will work to promote each cheerleader's success in the classroom, on the sidelines, and on the mat. Cheerleaders must pass all classes. Athletics is NOT an excuse for failing grades. If a student struggles with a class, the coach may place the student on an academic contract and/or bench the student until the grade is up to par.

Uniforms & Equipment; Cheer Clothing & Apparel

The Hillgrove High School Head Coach selects and designs uniforms. Each cheerleader is provided with the required full uniform (shell & skirt). The cheerleader and their parents/legal guardians are financially responsible for all additional items needed (shoes, socks, etc). Only members of the Hillgrove Cheerleading program should wear any cheerleading uniform and apparel.

Financial Responsibilities

The HCBC program is self-sustaining. HCBC receives no financial contributions from Hillgrove High School or the Cobb County School System. Fees are voted on and approved by the HCBC Executive Board. Program expenses are communicated to cheerleading candidates so that parents/legal guardians have a realistic expectation of program costs. After the squad has been chosen, payment schedules will be provided to selected cheerleaders at the Booster Meeting.

- Cheerleaders are responsible for the cost of camp, clinics and/or choreography
- Cheerleaders are responsible for the replacement cost of any school property that is lost or damaged. (Uniforms and equipment)
- Every effort is made to provide opportunities for cheerleaders to earn money to help offset their financial obligations. ALL cheerleaders must attend and participate in all required fundraising activities or possibly offset participation by covering those funds from personal funds or sponsorships.

Fundraising Commitments

If the athletic director and head cheerleading coach approve the fundraising as usual and necessary, the HCBC Executive Board will communicate this to the HCBC members
